Torrey Town Board Member Present: None

Guests: Chuck Berrinberg

1. There was not a quorum of members presents, so no action could be taken.
2. We were reminded about the September 15 Main Street planning workshop.
3. Diane asked how ordinances were enforced. It was explained that, once the town council or town employees were made aware of a violation, a letter would be sent to the attention of the person responsible for the violation, letting him/her know of the violation and the action needed to correct the situation.
4. Chuck Berrinberg is building a house in the county near Noor Motel. He wanted to turn in his application for a water hook up. He thought our meeting was the town council meeting. Mary said she would turn in his paper work for him.

The meeting was adjourned until the next meeting on October 11 at 6:30 at the Torrey Town Hall.
