

Mayor's Report

March 2023

February & March Activities

- Town Council work meeting
 - A work meeting was held Monday, March 6th to review the road maintenance master plan and water master plan updates
- Street Maintenance Master Plan
 - The total cost of updating all the streets in Torrey is approximately \$5 million
 - This is \$2.9 million for Center Street and Sleeping Rainbow including a new bridge over Sand Creek and the remainder is for the remaining streets
 - This year's grant request from Congressman Stewart's office will only include the Sleeping Rainbow portion
 - The state of Utah is creating a fund, SB175 passed this past legislative session, for small towns to use for catching up deferred road maintenance.
 - When this fund is available Torrey will be apply for funds to complete our road maintenance
 - The grant request for Congressman Stewart office must be submitted by March 15
- Water Master Plan Update
 - Peak water usage day for 2022 was July 2 with 810,000 gallons used
 - Peak water source day for 2022 was July 6 with 875,000 gallons incoming
 - The state now calculates Equivalent Residential Units (ERU) based upon peak days
 - Formerly, ERU was 800 Gallons/day now based upon peak use
 - Ensign Engineering completed an audit of our water usage to insure we understand how much water is actually being used
 - The result of the audit is we have 48 ERU available.
 - This year we have given out 8 ERUs leaving 40 ERUs
 - The 48 ERU does NOT include the new springs that are coming online this spring
 - The ERU bank will be updated when the new springs come online in the spring
 - Water Usage Statistics
 - There are 446 residential meters deployed
 - The average residential usage is 8,000 gallons per month
 - 14% use more than 30,000 gallons per month on average
 - 19% use more than 20,000 gallons per month on average
 - 32% use more than 100,000 gallons per month on average
 - Torrey is expected to growth at 3.5% per year for the next 20 years
 - This would be 15 new residential connections per year
- Grant requests status
 - New 500,000 Gallon Water Tank - \$1.6 million dollar grant
 - Awaiting the Forest Service to give final clearance to begin construction
 - For the next four weeks requesting bids for the project
 - March 29, 3pm Pre-Bid meeting that will provide details to companies wishing to bid

- April 11, 3pm Bid Opening meeting
 - April 13 Town Council meeting will confirm bid winner and construction can start
 - The Forest Service upgraded the Great Western Trail from the cattle guard to the tanks
- CIB Grant items
 - Torrey Roads, New Town Hall, and Walking Path are the CIB projects
 - Only projects that are on the CIB list can be considered for grant requests
- Water Re-use study
 - Torrey has been awarded 75\$,000 to study how to capture and reuse water
 - Ensign Engineering is running this project
- Website updates
 - Updating the business page to integrate with Google Maps to provide more information about each individual business
 - Creating templates for our forms to allow online completion and submission
 - Several forms have been updated
 - The goal is all forms available from the website, can be completed and submitted from the website
 - Creating templates so agendas and minutes have the same format
 - Forms are being updated and making sure the links are correct
 - Many thanks to Susan O'Connor-Wright who has volunteered to help with this project

Ongoing Projects

- Establishing a Justice Court
 - Let Commissioners & Mayors know we are starting the process
- Street signs for all streets
 - Emergency responders need to have street signs to find locations quickly
 - 480 North and Center Street needs street sign
 - Working with county to determine who pays for the sign
- Working to start Historic Committee
 - Having discussion with several folks about how best to preserve the history of Torrey and Wayne County
 - Looking for people that would be interested in helping with this project
 - Committee's goal is to find ways to save the history of Torrey for future generations
 - If anyone is interested in joining in this effort please contact myself or Torrey Town staff

Items to sort out

- ATV regulations to reduce traffic and noise
 - How can Torrey control ATV traffic without running afoul of state law
- Need to get someone to write report on Planning & Zoning for Insider
 - We need to have a synopsis of what goes on in the council meeting and P&Z meetings sent to the Insider.
